Ms. Marilyn Marks
Aspen, CO

Dear Ms. Marks:

This Letter is written in response to the Colorado Open Records Act request received by the Jefferson County Clerk and Recorder's office from you on August 9, 2011. The request you submitted is below, followed by the County's response to the request.

1. Please provide an electronic copy of all EL152 files, EL155 files and EL68A files grouped by polling place (or in another manner consistent with the file organization you maintain.)

No such files exist. The County does not generate these files or reports as the County has no need for such reports in conducting the election and is not required by any statute or regulation to generate such reports in order to conduct an election.

The County considers this request satisfied and the matter closed. Any additional information may be requested through a separate Open Records Act request with the County.

If you have any questions regarding this matter, please do not hesitate to contact me at (303) 271-8939 or dwunderl@jeffco.us.

Yours truly,

David R. Wunderlich
Assistant County Attorney
Jefferson County, Colorado
